

census
2021

Be a part of Census 2021

**Census Day is Sunday 21 March 2021.
You'll receive an invitation pack letting
you know how to take part.**

**By taking part and encouraging others
to do the same, you'll help to make sure
your community gets the services it needs.**

What is the census?

The census is a survey that happens every 10 years and gives us a picture of all the people and households in Wales and England.

The government, local councils, charities and many other organisations use census information to decide how to spend billions of pounds on services every year. This includes spending on transport, education and healthcare.

To make sure money is spent where it's most needed, it's important that the census counts everyone.

Your support matters

We need your help to reach as many people as possible in Census 2021. People turn to you for advice, support and reassurance.

No one knows your community better than you. Support from trusted local leaders and community representatives is vital in helping to make sure people take part.

Help is available

Every household in Wales and England must complete the census by law, but there will be plenty of help for people who need it. This includes guidance and support in many languages and formats. It also includes help to complete the census online.

Please make your community aware of the help we offer and encourage them to take part in Census 2021.

Local support

Our local community engagement staff will be available during the census with resources, advice and practical support to help everyone to take part. They'll be able to guide you towards the help and support that you and your community need.

Raising awareness

Please help us spread the word about what the census is and why it matters to everyone. You can help us by sharing information about what people need to do, as well as when and how they can get help.

Reaching people

Your networks can help us reach people in your community who may need support to take part. This will make sure that everyone's included.
